* Staples and Target have excellent sales for school supplies in August!

**We believe it is necessary to be prepared each day for school. Therefore all supplies must be at school on the 2nd day. For each day that your child does not have supplies, he/she will lose 1 point from his/her final grade. Thank you!

***We reserve the right to add items as the school year begins, and items should be replenished as they are used.

****Items such as markers, pens, pencils, compass, etc. will be pooled together and redistributed as necessary or kept in a community pool for the middle school classes.
